School News

Welcome to the Spring 2018 semester

Inclement Weather

This is the season of two hour delays and cancellations. We always hope that we have a minimum of these but want parents and students to be ready for the possibility. Please listen to the radio or television for announcements. Many of the stations have apps for sending you the alerts so you get them as soon as they are issued. Superintendent Hissong is also sending text messages out to staff and parents when school is delayed or cancelled. This is a great time to check to be sure your information is current in our system so that you will get alerts as soon as they are issued. If you don't have parent access, please contact Mrs. Melcher, school secretary for assistance.

eLearning Days

If there is a cancellation, we will have an eLearning day. Teachers will post assignments by 9:00 in the morning and will be available by email to answer student and parent questions. Students will have 5 school days to complete these assignments.

ISTEP Testing Begins February 26th. You may ask why am I mentioning this so soon. We want to ask parents to avoid making dental and medical appointments during the testing period. We know students do better when they test with their class rather than in make-up sessions. So we ask that between **February 26th and March 9th** that you do not make
